

HDMI Cable Solutions

PRO⁴
48Gbps Enhanced 8K HDMI Cables

Passive Lengths from 0.5m – 9m
Active Lengths from 7.5m – 100m

Professional grade solution for uncompressed HDMI 2.2 signal transmission.

PRO³
18Gbps 4K HDMI Cables

Passive Lengths from 0.5m – 9m
Active Lengths from 10m – 20m

Professional grade solution for uncompressed HDMI 2.1 signal transmission.

R.3
Passive HDMI Cable

Passive Lengths from 0.3m – 5.4m

Increased conductor shielding and flexible lengths – perfect for rack installs.

ONE Series
Bulk Packaged Passive HDMI Cable

Lengths from 0.5m – 10m

Flexible, compact, and HDMI plug-and-play certified.

PRO
20Gbps USB4 Gen2 Passive USB-C Cable

Lengths from 0.8m – 3.0m

Compact connector design ensures reliable installation in tight spaces.

PRO
10Gbps 60W Active Optical USB-C Cable

Lengths from 0.5m – 10m

Polycarbonate 'snouted' connector ensures compatibility with recessed or tight USB-C ports

Audio Cables

ONE Series
Balanced Audio Cable & XLR Connectors

Length 100m

Engineered to fit perfectly with standard specifications.

PRO³
Integrator RCA Cable

Lengths from 0.5m – 5.0m

Highly flexible, solid, and engineered for pro AV installs, minimizing signal loss & interference.

PRO³
TOSLINK Cable

Lengths from 0.5m – 20m

Clean, accurate sound in an optimized digital audio signal for pro AV installs.

IT'S CONNECTIVITY. BUT NOT AS YOU KNOW IT.

The professional grade connectivity brand for systems technicians, by systems technicians. For over 20 years, Kordz has partnered with global technology leaders to re-design and re-engineer connectivity products for professional installation.

Network Patch Cables

PRS SlimCat

Cat6A Network Patch Cord

Lengths from 0.15m – 30m

Designed for high-bandwidth AV installations.

PRO SlimCat

Cat6 Network Patch Cord

Lengths from 0.15m – 30m

Flexible and slim for high-speed Gigabit Ethernet.

Network Cat6 & Cat6a

PRS/PRO SlimCat

Cat6/6A U/UTP Network Cable

Lengths Available 100m, 305m

All the power, all the data, half the size. Ideal for high density and retrofit installs.

Also Available

SlimCat Cat6 U/UTP Outdoor Network Cable

ONE Series

Cat6 U/UTP Network Cable

Lengths Available 100m, 305m

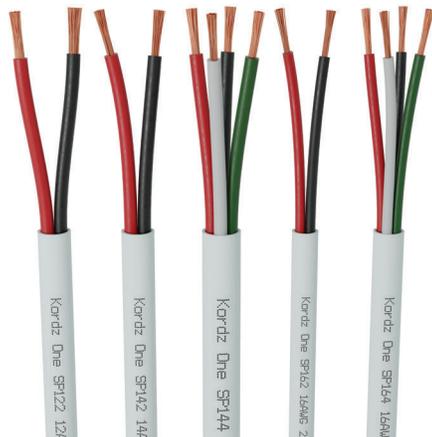

A cost-effective, high-bandwidth and high-performance network cable.

Also Available

Cat6 U/UTP Outdoor Network and Direct Burial Network Cable

Speaker Cable

ONE Series

The ONE Series Speaker Cable is engineered to deliver clear and robust audio performance in professional audio installations. It features high-purity medium stranded 99.99% OFC conductors for balancing high conductivity and flexibility.
