

MEDIA CONVERTERS AND SWITCHES

Built for reliable industrial connectivity, ROBOfiber media converters and switches deliver stable performance in demanding installations. Safety-certified AC-to-DC power supplies provide dependable, fully compatible power to help maximize uptime and system reliability.

SFP Slot Unmanaged Gigabit Media Converters

LFC-1001-SFP

Gigabit Ethernet to 100/1000BaseX SFP slot fiber media converter, LFP and DIP sw settings

FC-1002-PSE

Gigabit Ethernet 2x 10/100/1000BaseTx to SFP slot fiber media converter with PoE+ 60W PSE

LFC-1000-SS

SFP to SFP slot multirate fiber media converter, 155M to 1.25G speeds

Hardened Industrial PoE+ Switches

HC-1002-SFP

2x RJ45 + 1x SFP Slot Gigabit Ethernet Industrial fiber switch, DIN rail mount, -40 to +75 Celsius

HGW-1604-PSE

16x RJ45 + 4x SFP Slot Gigabit Ethernet Industrial Fiber Switches, DIN rail mount, -40 to +75 Celsius

HGW-401S

4x RJ45 + 1x SFP Slot Gigabit Ethernet Industrial Fiber Switches, DIN rail mount, with and without PoE+

HGW-802

8x RJ45 + 2x SFP Slot Gigabit Ethernet Industrial Fiber Switches, DIN rail mount, -40 to +75 Celsius

LightSpeed DIN Rail Power Supply Kits

40 WATTS
MDR-40-48

60 WATTS
MDR-60-48

100 WATTS
MDR-100-48

120 WATTS
NDR-120-48

240 WATTS
NDR-240-48

480 WATTS
NDR-480-48
