

PLATINUM TOOLS® POPULAR CABLE TESTERS

POE++ & DC VOLTAGE TESTER TPS200C

- Test PoE voltage and draw on twisted pair cables
- Test DC power supplies
- Test active cables without disrupting data flow

MAPMASTER MINI CABLE TESTER & TONE GENERATOR T109C

- Identify shorts, opens, breaks, miswires, reversed pairs and split pairs on twisted pair cable
- Map multiple twisted pair locations
- Built-in tone generator

DIGITAL TONE & PROBE CABLE TESTER & TRACER TDG310K1C

- Trace and locate cables in unpowered or active circuits
- Test RJ45 terminations
- Audible and visible strength indicators
- Built-in flashlight

VDV MAPMASTER 3.0 CABLE TESTER & TONE GENERATOR T130K1 (basic) | T130K3 (deluxe)

- Test, measure and map twisted pair, coax and other low-voltage cables
- Measure cable length
- Identify cable ports
- Built-in tone generator

ANALOG TONE & PROBE CABLE TESTER & TRACER TG210K1C

- Trace and locate unpowered cables
- High-powered performance traces up to 20 miles
- Multiple tone settings

NET CHASER ETHERNET SPEED CERTIFIER & NETWORK TESTER TNC950AR (basic) | TNC950DX (deluxe)

- Test, measure, troubleshoot and map twisted pair and coax cables
- Certify network speeds
- Measure cable and fault length
- Identify cable ports
- Built-in tone generator

LANSEEKER CABLE TESTER & TONE GENERATOR TP500C

- Identify shorts, opens, split pairs, reversed pairs and miswires on twisted pair cable
- Diagnose faults one cable pair at a time
- Built-in tone generator

TWISTED PAIR & FIBER OTR TESTER & FAULT LOCATOR PT-OTDR-100

- Test, measure, troubleshoot and map twisted pair and fiber cables
- Measure cable and fault length
- Measure optical power and light
- Test cable performance and continuity

PLATINUM TOOLS®

AFFORDABLE CABLE & CONNECTION TESTING

Platinum Tools® delivers powerful, easy-to-use testing equipment for the installation, troubleshooting and maintenance of low-voltage cables and networks. Whether you need to verify cable continuity and length, map network locations or troubleshoot PoE, Platinum Tools ensures the project installs quickly and performs flawlessly.
